

2020 The Farm Raised Pork Info

Full, and half sides of pork are available from our farm.

Our current schedule allows us for July Pork availability.

We raise Yorkshire Pigs; which are fed a natural diet; and raised without the use of antibiotics and growth hormones/steroids.

All of our meat is USDA inspected, individually packaged and flash frozen.

Large quantities are priced by hanging weight.

Our Farm Raised Pork is \$7.00/lb hanging weight, and all prices includes packaging and natural smoking of certain cuts- without the use of Nitrates or Nitrites.

On average, a full pig will dress out at 250lbs and yield nearly 175 lbs of meat, a half side will dress out at 125 lbs and yield nearly 85 lbs of meat.

Please keep in mind this will vary based on the animal.

Cuts will include; but not limited to: Pork Chops, Spare Ribs, Country Style Ribs, Loin Roast, Pork Butt, Ham, Ham Steaks, Bacon and Sausage.

We ask for \$200.00 deposit at the time of reservation.

Please email Amanda at amanda@thefarmwoodbury.com to reserve yours or with any further questions.
